CASE No. 02-44709

(Chapter 7)

CLERK OF COURT

DEPUTY

REPORT OF TRUSTEE AND APPLICATION FOR CLOSING
OF A NO-ASSET CASE

ORIGINAL

TO THE HONORABLE JUDGE OF SAID COURT:

- [] I have examined the debtor's scheduled exemptions and have determined that such are lawfully claimed and allowable.

After investigating the facts and records of this case, and upon examining the debtor at the 341 meeting, I have determined that all known assets of the estate, scheduled and discovered, are properly exempt, abandoned or of such inconsequential value that they should be deemed abandoned upon the closing of this case.

- [xx] On December 5, 2002, this Court entered an Order Granting the Motion of the U.S. Trustee to Dismiss with Prejudice. As the Trustee in this case, I have neither handled nor administered any assets.

APPLICANT prays that the Trustee be discharged from office and that the chapter 7 case be closed.

Dated: December 31, 2002
